Dear Parents / Carers

The governors are pleased to inform you of the appointment of **Mr McGhee** as Headteacher, with immediate effect.

The appointment follows an extensive and rigorous process. We were privileged to select from an exceptionally high quality field of candidates. Mr McGhee will be leading an established, talented team of staff and dedicated students at St Francis Xavier School.

We are confident that you will accord him the same tremendous level of support that you gave Mrs Keelan-Beardsley over the past six years.

We believe that the new Headteacher, with the support of the existing excellent leadership team, staff and students, will be well placed to seize the challenges ahead, create the opportunities which will assure continued success, and ensure that St Francis Xavier School becomes an ever brightening beacon of high academic success and Christian witness.

Yours sincerely
