Dear Colleague

**NYCC Post 16 Transport Assistance 2016/2017
APPLICATION PROCESS**

We would be grateful if you could help us with alerting students who are remaining or continuing onto further education on how they can apply for Post 16 transport assistance. Could you please give a copy of the attached leaflet to students resident in North Yorkshire who are considering Post-16 education next academic year?

Students are being directed to the NYCC website www.northyorks.gov.uk/post16transport, where they can find further information and apply on line. Updated information and the 2016/17 application form will available from the middle of May.

May we take this opportunity to thank you for your help in this matter. Please do not hesitate to contact us if you require any further information.

Yours sincerely

Julia Griffiths
